**Essay**

My name is Bodie Stiegelmeyer and my plan after high school is continuing my education at San Juan College in Farmington, New Mexico. I am planning to attend college for a fire academy and pursue my dream of becoming a fire fighter. I am a very hard worker and whatever I do I make sure to give it one hundred percent and never give up. I have grown up around many firefighters in my life and those people have been my inspiration. My dad is a person that I look up to and he is a volunteer firefighter for the Lewis Ariola fire department and I have always enjoyed being around the community.

My biggest and main career goal is to become a professional firefighter. I would also like to

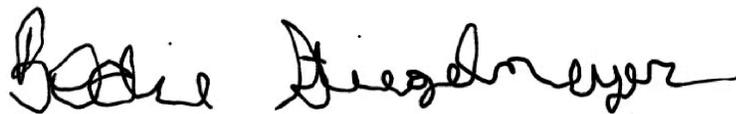

make differences in people's lives by helping people who are in danger or are in an emergency whether it be because of a fire or even a medical emergency. I am hooked into this profession not just because it allows me to give back to others but it gives me so many challenges to push myself to overcome my fears. My dad is also a huge part in why firefighting is my dream career, I would always love the stories he would come back and tell me after a call. One of my best memories was when I was a kid me and my dad were on our way home from fishing and his pager went off. We were closer to the fire station than to the house so my dad didn't want to leave me at the station so I was able to ride in the firetruck for the first time on an actual fire call. Ever since then my dream was to become a firefighter just like my dad.

I am applying for this scholarship because it could help me focus on my education and help me achieve my goals. Receiving this scholarship would allow me to focus fully on the education and training of fire academy without adding extra stress of financial burdens. With this scholarship it would bring me so much closer to achieve my goals with less stress on my shoulders and help me become a proud member of the firefighting community that I have always dreamed about.

My name is Ryan Daves MCHS head wrestling coach and I am honored to write this recommendation letter for Bodie Stiegelmyer. I have know Bodie for a very long time watching him grow up in the wrestling community. I have had the privilege to be his wrestling coach for the last three years. Over the years Bodie has become a respectable, confident, and determined student athlete.

In the years I have had the privilege to coach Bodie I have experienced exceptional qualities. Bodie has great work ethic, he always shows up on time and is excited and ready for the task at hand. He always carries himself in a polite and respectful manner. Bodie is very dedicated to anything he puts his mind to. His school work, sports and life outside of school. Bodie is also a great leader he always leads by example and all my athletes look up to him for them reasons.

In the sport of wrestling Bodie is an excellent athlete just earning his spot this last weekend in the state championship for the third time.
