Essay

To the Scholarship Committee,

I am writing to formally apply for the Empire Electric Public High School Scholarship. As a senior at Montezuma-Cortez High School holding a cumulative GPA of 3.8, I am dedicated to my academic and professional future. I plan to attend Ottawa University in Surprise, Arizona, in the fall of 2026, where I will pursue a degree in Electrical Engineering. My long-term goal is to master these technical skills and return to Montezuma County to contribute to the growth and development of our community.

Throughout high school, I have strived to balance rigorous academics with athletics and service. As a student-athlete, I have learned the value of discipline and teamwork. I served as a varsity captain for the Cortez football team for the past two years, where I was honored to be elected as an All-State Athlete. Additionally, I held a leadership position on the baseball team, helping guide us to the state playoffs for two consecutive years. Beyond sports, I am an active member of the National Honors Society and the Fellowship of Christian Athletes. These experiences have molded me into a leader who values clear communication, honest behavior, and unwavering dedication.

My work ethic extends beyond the classroom and the field. To save for my education, I have held a part-time job at the Ute Mountain Ranch. There, I worked as a mechanic and managed irrigation systems. This hands-on experience with machinery and systems sparked my interest in engineering and taught me the importance of practical problem-solving. When I am not working or studying, I prioritize family time and connecting with the outdoors through hunting, fishing, and camping. My faith is also a cornerstone of my life; I attend church on Sundays and read the Bible daily, which keeps me grounded and focused.

As I prepare to enter college, I am facing the challenge of self-funding my tuition without financial assistance from my parents. Consequently, this scholarship would impact my life significantly, alleviating financial stress and allowing me to focus on my studies. I have chosen to apply to the Empire Electric Association not only for the financial support but because your

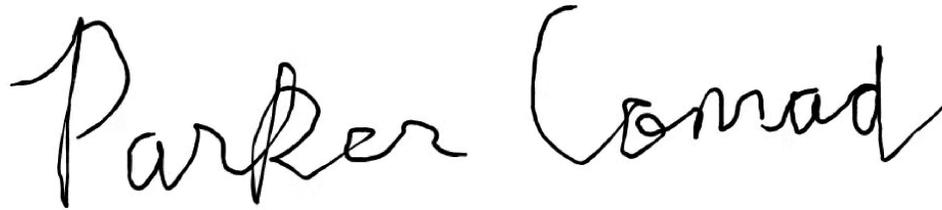

organization's values of community service, reliability, and integrity deeply align with my own.

Thank you for your time and consideration.

RE: Parker Conrad
SUBJ: Empire Electric Scholarship

Dear Board Members,

I am proud to offer this letter of recommendation for Parker Conrad, to whom I have personally known for 13 years, as the student's coach at Montezuma Cortez High School, and as a family friend. It has been a pleasure to see him grow as a confident young man, and student athlete.

Throughout my relationship Parker, I have experienced an individual who shows up on time, works hard, and carries himself in a polite, respectable manner. He is a devout student who presents with level headedness and poise. He demonstrates great work ethic and standards. Parker takes his academic success very seriously. He leads by example, and is an asset to society.

In an athletic capacity, he is highly competitive in sports. He has great leadership skills and works well with his teammates. He has lettered multiple times as a multi-sport athlete.

I recommend Parker for the Empire Electric Scholarship, without any reservations as I am positive that he excel at whichever institution he chooses to attend after High School, making good use of this scholarship.

Please feel free to reach out with any requests or questions.

Parker Letter of recommend...

To Whom It May Concern:

I'm happy to recommend Parker Conrad for any scholarship opportunity. I've had the privilege of knowing Parker for the past three years through our youth group and on the football field, and I can say with confidence—he is the kind of young man you want representing your school.

In youth group, Parker is faithful whenever his schedule allows, and he shows up with a great attitude. He's not just there for himself—he encourages his friends to come and be a part of it too. On the football team, he's a leader who leads by example. He works hard, treats his teammates with respect, and pushes himself to be better every day.

What impresses me most about Parker is how well he balances it all—school, sports, a job, and his role as a leader in his school's Fellowship of Christian Athletes. That takes maturity, discipline, and a solid work ethic, and Parker has all three. He's an outstanding student, athlete, and example to others.

I believe Parker will excel in whatever he sets his mind to, and any investment in him will be worth it. He's proven himself to be dependable, hard-working, and a young man of character.

If you need more information, I'd be glad to share more about why I think so highly of him.

Sincerely,
Reece Alvarez
