### **Essay**

Dear Empire Electric Association,

My name is Taylor Barry, and I am the daughter of Allen and Erin Barry. I am 18 years old and a freshman at Utah Technical University. I grew up on the state line of Utah and Colorado in between two small towns, Monticello, Utah and Dove Creek, Colorado. I was raised on my family's farm/ranch. I enjoy many outside activities, spending time with my friends and family, and anything that includes an adventure. My plan is to attend college at Southern Utah University and pursue a career of nursing, with an emphasis on athletic training, and hopefully owning my own ranch. I have chosen this path because I believe nursing is a great profession where I can serve and help others in need and be able to stay close to my passion of sports in athletics. I also love animals and everything that ranching has to offer, so being able to carry on family ranching and feeding our nation is a great goal of mine.

This scholarship would help me because my family farm has been in a drought for years which has made it very difficult for my family to make money. My twin sister and I are going to college at the same time and my family is unable to afford it. I am responsible for paying my own way to college and I am also unable to afford the schooling I need for the profession that I desire. My goal is to go through school and graduate completely debt free so any money that I can get through scholarships will be very helpful. I would use this scholarship, wisely, toward paying for my school expenses.

Thank you for the opportunity to be considered for this scholarship.

Sincerely,

Taylor Barry

To Whom It May Concern,

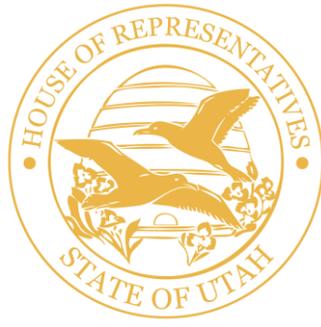

It is my pleasure and honor to recommend Taylor Barry for the Junior Livestock Scholarship. I am very honored to have been asked to provide this recommendation for Taylor. She brings so many positive qualities to the local Junior Livestock program, where she has been an active and dedicated participant each year.

Taylor is a hardworking, self-motivated young woman who consistently goes above and beyond in all she does. Through my time serving on the San Juan Junior Livestock Board, I have witnessed Taylor's dedication and involvement in many ways, including:

- **Leadership and mentoring** — Taylor has taken the initiative to organize and lead showmanship clinics to help younger members develop their skills. She gives her time freely to teach others and always encourages them to do their best.
- **Community service** — Taylor is always among the first to volunteer for projects that need to be done. She works hard, takes pride in her work, and often seeks out additional ways to contribute to the community.
- **Positive example to others** — Taylor consistently leads by example, offering help and encouragement to younger participants. She has spent countless hours going from home to home to assist kids in preparing their animals and projects for the fair.

Taylor is an excellent manager of her time and talents. She works for everything she has achieved, and she excels both as a leader and a teammate. I believe she has a very bright future ahead of her and that the Junior Livestock program has been a strong foundation for her growth.

By awarding this scholarship to Taylor, you would be investing in a young woman who represents the very best of what our Junior Livestock program stands for — hard work, leadership, and a commitment to community. I give her my highest recommendation.

Kind regards,

Rep. Logan Monson

## Scholarship Letter of Recommendation

To whom it may concern,

My name is Abageal Sifford and I have been given the wonderful privilege of writing to offer my highest recommendation for Taylor Barry.

I have had the pleasure of working closely with Taylor for two years in the summer children's program at the First Baptist Church of Monticello, Utah. As the director, I was able to observe Taylor as she took on the role of the kindergarten class group leader alongside her sister Hannah.

Taylor is a strong leader and demonstrated her ability to expertly manage a class of 25 students every day. She collaborated with her helpers and worked together to lovingly solve problems and deal with student behaviors in the classroom.

Taylor is an individual who is exceptionally hard-working, dedicated, polite, and honest.

Taylor gets along well with others as she exemplifies the spirit of a team player.

Taylor arrived early every day and stayed late to be sure all of her students had been safely picked up by their parents.

I am so excited for Taylor as she moves on and pursues her dream of becoming a nurse. She is a joy to work with and it is without hesitation that I wholeheartedly recommend her as a candidate for this scholarship.

Taylor is a fierce competitor, who never backs down and is constantly looking to better herself and to achieve more.

Throughout our relationship, Taylor has impressed me with her ability to communicate with both her superiors and the youth. Because of this skill she has become an amazing role model for my children and someone who I would recommend for any position.
