Essay

Hi, my name is Chesnie Patrick and I am a sophomore at Colorado Mesa University. I would like to start off by thanking you for my scholarship my senior year in high school, as it has enabled me to help pay for my tuition and fees which I am responsible for since my mom and dad are paying for my housing and food. Over the past couple years I've learned so much, such as finding a way of studying that makes sense to me, being independent and being reliable on myself, and this year learning how to balance my academic schedule with my sports schedule.

I am almost finished with my second year of college and am planning to pursue a Bachelors Degree in Exercise Science, with the career goal of being a Pediatric Physical Therapist. I've had this dream goal since I was in middle school when I was going through some health issues myself and had to undergo two hard surgeries. Though I wasn't quite sure it was a Physical Therapist that I wanted to be, I just knew that I wanted to help kids in some way.

This year has been my hardest year yet but also my favorite year so far as I am getting into more of the foundation and major classes for Exercise Science which requires a lot more studying. I am learning so much, it isn't easy but I am getting through it with a positive mindset. I was on the CMU Women's golf team last Spring semester but realized that I didn't want to play competitively any longer and also wanted to focus on my true passion which was being a part of the CMU dance team. I tried out for the dance team the last two years and unfortunately did not make it but about a month after not making the team the second time, the head coach reached out to me and offered me a spot on the team since one had opened up. Being on this team the past year has been such a blessing and I hope to make the team again in a couple of months.

I am excited to be continuing my education at CMU and to see what the next two years bring. This semester I had to quit working at my job because I was very stressed with school and wanted to make sure I had the time to study because this semester has been my toughest yet and I am taking 18 credits. I recently applied to be a supervisor at Playground Days, which I'm hoping to get to help me save up money for this next year and help pay for my tuition. Fortunately, my mom has worked at her job for the past 36 years but unfortunately she also

makes too much for me to qualify for financial aid, so it makes it hard to come up with money and be able to pay for my tuition. I am hoping to not have any student debt when I graduate from CMU since I am sure I will have plenty after PT School.

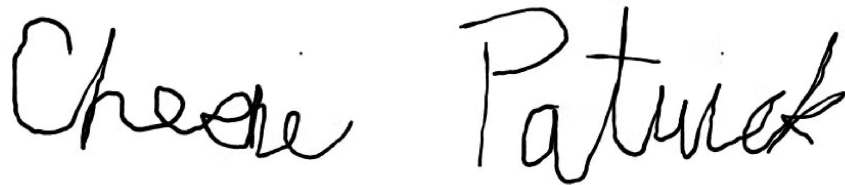

Thank you for taking the time to review my application and considering me for this scholarship.

Best regards,
Chesnie

Dear Scholarship Selection Committee:

I am writing this letter to recommend Chesnie Patrick for the Empire Electric Scholarship. I am her English 112: Composition II instructor and have known her for the last three months.

As a student, Chesnie has demonstrated a love of learning and the level of commitment necessary to succeed in college and beyond. As an educator, I am happy to be able to provide this recommendation for such a deserving student. I have great respect for Chesnie and truly believe that she is a deserving candidate that you will be proud to have representing your organization.

Chesnie excels at balancing her academic schedule with her sports schedule. She is always on time to class and ready to work, turns in all assignments when they are due, and participates in class discussions with incisive and insightful thinking. It is clear that Chesnie is committed to success in both her academic and sports endeavors. In addition to having firsthand knowledge of Chesnie's academic commitment, I am also familiar with her educational goals, as well as the challenges she will face when it comes to funding college tuition. I cannot think of anyone more deserving, and I wholeheartedly support her application.

I feel certain that you will be just as impressed with Chesnie as I am. As an educator who is committed to helping deserving students succeed, I strongly encourage you to consider Chesnie for this scholarship. Please contact me with any questions and let me know if I can provide any additional information in support of this deserving student. You may reach me at 479.883.1343 or mlacru@coloradomesa.edu.

Regards,

Michel C. LaCrue
