The only scholarship outside of my university I will have for the upcoming year is the Roland Schneider scholarship that is \$500/semester.

From Friends, I receive the President's Scholarship for a high GPA, and a cheerleading scholarship.

I do not receive financial aid through the FAFSA.

Essay

I am currently attending Friends University and am working on obtaining a degree in Business Administration. I am listed as a junior even though I should be a sophomore. I was able to earn college credits in high school to help me advance through college as quickly as possible. After I complete my degree, I plan on attending cosmetology school. Once I have my cosmetology license, I want to own a salon that has multiple stylists, nail techs, and estheticians. I have a very supportive family, but they are being stretched financially with both my brother and I attending college. I have worked very hard to maintain my grades in school and currently have a 4.0 at Friends. In order to attend college, I have had a job throughout most of my high school career and am currently working at Beauty Bar by Em to earn more money for this fall semester. I am applying for this scholarship because I need help to pay for school. With the money I earn and what my parents are able to give me, I am still short in being able to pay my tuition. It is hard for me to ask for help, but I do appreciate the opportunity that you all provide through your scholarship. Any consideration you may give me is greatly appreciated.
