List Your School and Community Honors and Activities

I attend Utah State University and am part of PRSSA (Public Relations Student Society of America). I have been involved in this club for a year now and it has significantly helped me. I am able to grow my network, visit companies in Utah, and learn valuable skills like how to put together a strong resume.

Essay

I am applying for this scholarship because it helped me so much when I received it in 2024, and I believe that I can continue my education comfortably with it. The 2026-2027 school year will be my final year of my undergraduate degree. The final push to receive my bachelor's degree. I started college in the fall of 2024, which means I will be finishing school a year earlier than the typical four-year route. I take pride in knowing that I have pushed myself to learn and grow, and I know that the learning and growing does not stop here. As a first-generation college student, earning my degree has been something I have always dreamt of.

Upon receiving my degree, I hope to find a job in Public Relations. While being in PRSSA, I was able to visit Lola Blankets headquarters in Lehi, UT and listen to a presentation given by their public relations lead. After the interview, I was able to have a conversation with her which felt like a great new connection. I learned a lot of information on that trip, and it opened my eyes to what I really wanted to focus on after graduation.

My family has been my greatest supporters over the years, and I would not be able to be where I am today without their encouragement. My parents help me with school as best they can, but they do also have my two younger siblings at home that they have to provide for. While I am grateful for their help, I know it's financially straining for them. Paying for the rest of tuition is not easy to do, especially on top of rent, car insurance, and other costs of living. I am currently working two jobs while I'm not a full-time student in hopes that it will help me a little more when the fall and spring semesters come around.

I was extremely grateful to have received a scholarship in 2024, and I believe I put it to good use. Receiving the Continuing Education Scholarship this year would mean a lot to me and allow me to not only continue my education, but it would be for the final push in earning my degree.

Dear Empire Electric Association Continuing Education scholarship committee:

I highly and unequivocally recommend Kahryme Alvarado for the Empire Electric Association Continuing Education scholarship. She excelled in my rigorous and demanding JCOM 4030 Mass Media Law and Ethics course and earned an A only because I couldn't give her the A+ she deserved.

Ms. Alvarado is on-track to complete her B.A. in just three years, while juggling a job, which exemplifies her focus, organizational skills, and commitment. A quick learner, she takes instruction readily and her education seriously. Ms. Alvarado is easy-going and extremely teachable, which is a winning (and unusual) combination. She has a highly developed sense of ethics, a scrupulous attention to detail, and a writing style of clarity, perception, and completeness that belies her age and experience.

A little background on me is in order. Before I earned my Ph.D. from the University of North Carolina at Chapel Hill, I was the editor, and owner of a group of weekly newspapers in western Illinois, recipient of national and state journalism awards, founder of a Shakespearean Festival, and past president of the Illinois Press Association. I am a widely-published scholar, presented my research on several continents, and won numerous awards. I am fully capable of evaluating professional and academic applicants, and it is from that experience that I have evaluated Ms. Alvarado's abilities and potential, which are exceptional.

I am certain Ms. Alvarado will live up to your highest expectations and take advantage of the opportunities this scholarship provides. It is my privilege to give her my highest endorsement. Please contact me directly at (435) 554-8739 or thomas.terry@usu.edu, if you have any questions or want to hear Ms. Alvarado's praises in more detail.

Regards,

A handwritten signature in black ink, appearing to read 'Thomas C. Terry'.

Thomas C. Terry, Ph.D.
Professor
