Essay

My name is Danika Oliver, I am a current freshman at Colby Community College, and I reside on the Livestock Judging Team. I plan on re-attending this junior college in the coming fall and I require extra financial aid to accomplish this goal. My first two semesters here at Colby have been an amazing, eye-opening experience. Being a part of the livestock judging team has allowed me to travel to parts of America I had yet to see, and meet new people that have taught me life-long lessons. Growing up through the 4H and FFA programs in Montezuma County throughout my childhood, I brought those skills I gained from them to Kansas and it only enhanced those skills and adapted them to the real world. I grew up showing sheep and pigs throughout 4H for over ten years, and continued those projects when I got to highschool, through FFA. I also resided on the LaPlata County Livestock Judging team for four years, which opened up endless doors to my future. I eventually got a call from my now current coach, Logan Despain, and toured CCC. I fell in love, and have now finished my freshman year here. I am currently pursuing an Agricultural Business Degree, hoping to further it at senior college and find a career suitable to my skills and interests. I learned life long skills through 4H and FFA, from discipline and public speaking, to memorization and putting in extra work to whatever I accomplish. I hope to excel in my judging career as a sophomore this next year, and become certain of my career as I enter into senior college. With this, my financial need for scholarships have become a crucial part in furthering my education at not only Colby but also the senior college I choose to go to next fall. Receiving this scholarship will further my academic and career goals for years to come. I applied for this scholarship during my senior year in 2024, and receiving it helped me tremendously through my freshman year, and I have no doubt it will do the same for my upcoming sophomore year.

COLBY COMMUNITY COLLEGE
OFFICE OF THE REGISTRAR
COLBY, KS 67701
785-460-4612
785-460-5509

The following information is offered to aid in the evaluation of the student's Colby Community College academic record. Additional information regarding the college and courses may be found in the college catalog.

ACCREDITATION

Colby Community College is coordinated by the Kansas Board of Regents and accredited by the Higher Learning Commission, a member of the North Central Association. In addition, many of the special programs are accredited by their respective professional associations. The PTA program is accredited by the Commission of Accreditation on Physical Therapy Education, Nursing is accredited by the National League of Nursing and the Kansas State Board of Nursing. The Veterinary Technology program is accredited by the American Veterinary Medical Association. The EMT program is licensed by the State Board of Emergency Medical Technicians. The program in dental hygiene is accredited by the Commission on Dental Accreditation. The Institutional Actions Council of the Higher Learning Commission voted to extend our accreditation to include distance delivery of the AGS, AA and the AS coordinated by the EduKan Online Consortium agreement. The Commission Board of Trustees validated that action through its validation process concluded on March 1, 2002.

CCC courses taken prior to 1990 are on an additional transcript page.

GRADING SYSTEM – all credits are in semester hours

A	–	Excellent	4 grade points
B	–	Above Average	3 grade points
C	–	Average	2 grade points
D	–	Below Average	1 grade point
F	–	Unsatisfactory	0 grade points
PS	–	Pass	0 grade points: in lieu of letter grade

(Computed in credit hours but not GPA)

NG – No grade received

Grades not computed:

- I** – Incomplete (to be completed and recorded in accord with Incomplete Contract within one semester)
- W** – student withdrew prior to the date listed for withdrawal in the academic calendar for that term or was withdrawn by an instructor for non-attendance

Student in Good Standing unless otherwise indicated.

Repeating a Course: Students may repeat courses previously taken at Colby Community College. Prior to Spring 1990, both grades are used in computing the grade point average and are recorded on permanent records and transcripts. Effective Spring 1990, the original grade and credit for the course is cancelled and it is not counted in determining the student's GPA, but it is not removed from the transcript. Repeats are indicated on the transcript with brackets [].

Remedial/Developmental courses:

Beginning in 1986, courses numbered 0-099 do not count toward graduation and (except for PE courses) are considered remedial/ developmental.

TRANSFER CREDIT:

Credit hours from other institutions, CLEP credit, AP and military service credits are listed but are not computed in GPA calculations.

RELEASE OF INFORMATION:

This transcript is provided under the provisions of Public Law 98-380, the Family Educational Rights and Privacy Act of 1974 as Amended. It is considered to be confidential information and cannot be released to a third party without the written authorization of the student.

Revised 5/12 bth

Logan Despain
Livestock Judging Coach/Agriculture Instructor

To Whom it may concern:

I am excited to explain all that I have come to learn about Danika Oliver not only as a student but as a person. I have had the pleasure of knowing and coaching Ms. Oliver for the past eight months as she is a part of my livestock judging team at Colby Community College. In that short time, there are evident admirable qualities about her that give someone insight into the kind of person, student and teammate she is.

Danika is furthering her education at Colby Community College studying within the Agriculture Department. As Danika's coach and mentor, I am confident that her academic determination will help her achieve her goals outside of the classroom. No matter what facet she finds herself in the workforce, she will pursue perfection until her own satisfaction is met.

As a result of being a valued member of our livestock judging team and previous experience in 4-H and FFA Danika has garnered many honors. Team and campus involvement only begins to highlight her first year of higher education. Here at Colby Community College Danika is an active member of the college's Farm Bureau chapter and is always willing to jump in and aid in whatever may need to be accomplished.

Danika also plays a vital role on our livestock judging team in more ways than one. Not only does she show determination in practices, but works just as hard outside of scheduled practice time to better herself and her teammates. Her motivated and determined presence on the team serves as a constant source of encouragement. Danika has been recognized at several contests throughout the year earning top ten in species and oral reasons divisions. As her coach, I know that this is only the beginning to her bright future in livestock judging and as a student. A person in my position gets the privilege of watching young people flourish into the young adults they are destined to be each and every year. I can say with full honesty that Danika Oliver has and will continue to make her mentors proud of who she is and what she stands for.

Time and again Danika continues to show how important her academics and meeting personal goals are. I look forward to continuing to have her a part of the livestock judging team and serving as a model student for others to strive to be.

Sincerely,

Logan Despain
