Essay

While entering my adult life, I plan on continuing my education at Mount Marty University in South Dakota. There, I will continue to study Nursing and playing Volleyball for the MMU Lancers. I have already completed my first year of college and will continue for 3 more years with working towards my Bachelor Degree in Nursing. With having another sister in college, I plan on using scholarship money and a work study, as well as working a part time job, to pay for my college to allow me to attend. Both of my parents work full-time jobs but have other colleges to pay for as well as debt to pay off, meaning I will be paying for most of my college from my own pocket. I am applying for this scholarship because I am in need of scholarship money for college, and I will use this money for college tuition as well as all of the extra expenses such as books and room. This scholarship helped me in the past with my college and pushed me to work hard to be successful in my future.

To whom it may concern,

It is with hearty enthusiasm that I send this letter in support of Raylynn Hickman. I had the privilege of working with Raylynn this semester, as she was a student in my Introduction to Sociology class. In addition to academics, Raylynn is also involved with the community. She has worked as a volunteer at River Boat Days, which is an end of summer celebration here in Yankton, she has assisted with the Paralympics, and the Battle of the Badges game, which is a basketball matchup between local law enforcement and emergency services. Another service project Raylynn was involved in was to write a letter to a service member stationed overseas during Thanksgiving. Finally, in terms of athletics, Raylynn was a team member that made Conference this past year.

If you would like any additional information, I would be happy to visit with you at any time. My office number is 605/668.1496, and my email is tnelson@mountmarty.edu.

Very Sincerely Yours,

Dr. Terry A. Nelson
