Essay

My name is Jayden Thomason, and I am currently pursuing a Bachelor's degree in Kinesiology with a focus on Athletic Training at the University of Hawaii at Manoa. Sports have always been a major part of my life—I grew up playing almost every sport, with soccer being my main focus in high school. Choosing kinesiology as my major felt natural, as it combines my passion for health, fitness, and helping others. My goal is to become a certified athletic trainer, which will require me to complete a master's program after earning my undergraduate degree.

Throughout college, I've worked hard to stay on track academically while gaining experience in the field. I've had the opportunity to intern with certified athletic trainers at my college, where I gained exposure to real-world athletic care. That experience helped solidify my interest in this career path and motivated me to keep growing professionally. I am continuing to build on that foundation this summer through another internship in a high school setting.

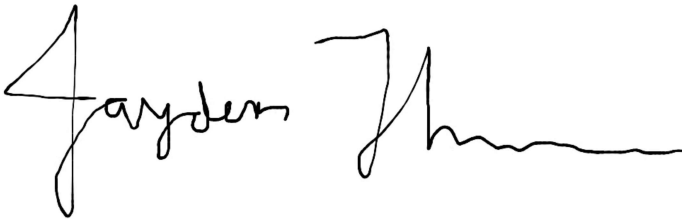

I've taken on the financial responsibilities of college largely on my own. While my parents are supportive, they aren't able to contribute much financially. I currently work part-time to help cover my living expenses, tuition, and school costs. Balancing work, classes, and internships can be overwhelming, but I'm committed to staying on track and reaching my goals.

I am applying for this scholarship because it would reduce my financial burden and allow me to dedicate more time to my education and internships. Your support would bring me one step closer to a career as a certified athletic trainer.

Applicant's Signature

A handwritten signature in black ink that reads "Jayden Thomason". The signature is written in a cursive, flowing style. The first name "Jayden" is written in a larger, more prominent script, and the last name "Thomason" follows in a similar but slightly smaller script. The ink is dark and the background is white.

To whom this may concern:

This letter is to verify that Jayden Thomason volunteered in the Saake Athletic Training Room during the fall 2024 semester at the University of Hawai'i at Mānoa. During her time in the training room, she assisted with the daily operation/maintenance of the athletic training room and direct care of the student-athletes.

She was an asset to the success of our program, her dependability and willingness to assist when needed did not go unnoticed. I recommend Jayden, without hesitation, for this scholarship. Please feel free to contact me at (808) 956-7144, if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Renae Shigemura', with a long horizontal line extending to the right.

Renae Shigemura, ATC
Assistant Athletic Trainer
