Add renewable energy to your EEA account for pocket change.

Empire Electric's Green Power Program is offered to our members at only 10¢ per 100 kWh block. You can sign up to go 100% percent green from renewable sources.

• The average member uses 710 kWhs per month.
• This only costs an additional .70¢ per month.

Please contact us to sign up 970-565-4444.
