

Empire Electric Association, Inc. Engineering & Operations Facility 23999 Road L.4, Cortez, CO 81321

EEA's Engineering and Operations (E&O) facility is approximately 2 miles north of our Headquarters building. To get to the E&O from our Headquarters building, take Highway 491 north for 2 miles, then turn west (left) on to Road L.4. Follow Road L.4 west past Road 24 to the E&O parking area at the end of Road L.4.
