

There are no surprises when you sign up for the Budget Billing Plan, you pay the same amount each month for your utility bill.

Your money is freed up to concentrate on the important things in life. It's easy, fast and free!

- The Budget Billing Program can begin immediately if you have a "0" balance on your account. Empire Electric does not charge you for budget billing payments.
- At the end of the 12-month period any overpayment accumulated when the budget billing amount is greater than the actual usage will be credited back to you. Any underpayment must be paid up at this time. Your budget billing will automatically recalculate a monthly amount and renew every 12 months.
- To continue participating in the Budget Billing Plan, your account needs to be current. If you receive two delinquent notices in a six-month period, you will be removed from the plan until your account is paid in full.

- The Budget Billing Plan is easy to set up. If you are interested or want to find out more, please call us at the number below.
